Welcome Shealy Electrical Wholesalers!

SHEALY
ELECTRICAL WHOLESALERS

SUPPORTING ALL OF YOUR SPECIALTY WIRE AND CABLE NEEDS

800-292-OMNI – 24 Hours / 7 Days a Week

OMNICABLE

What Makes Omni Cable Unique?

We ONLY Sell Through Electrical Distributors!

Who is Omni Cable?

A National Specialty Wire and Cable Distributor Since 1977

Markets Served

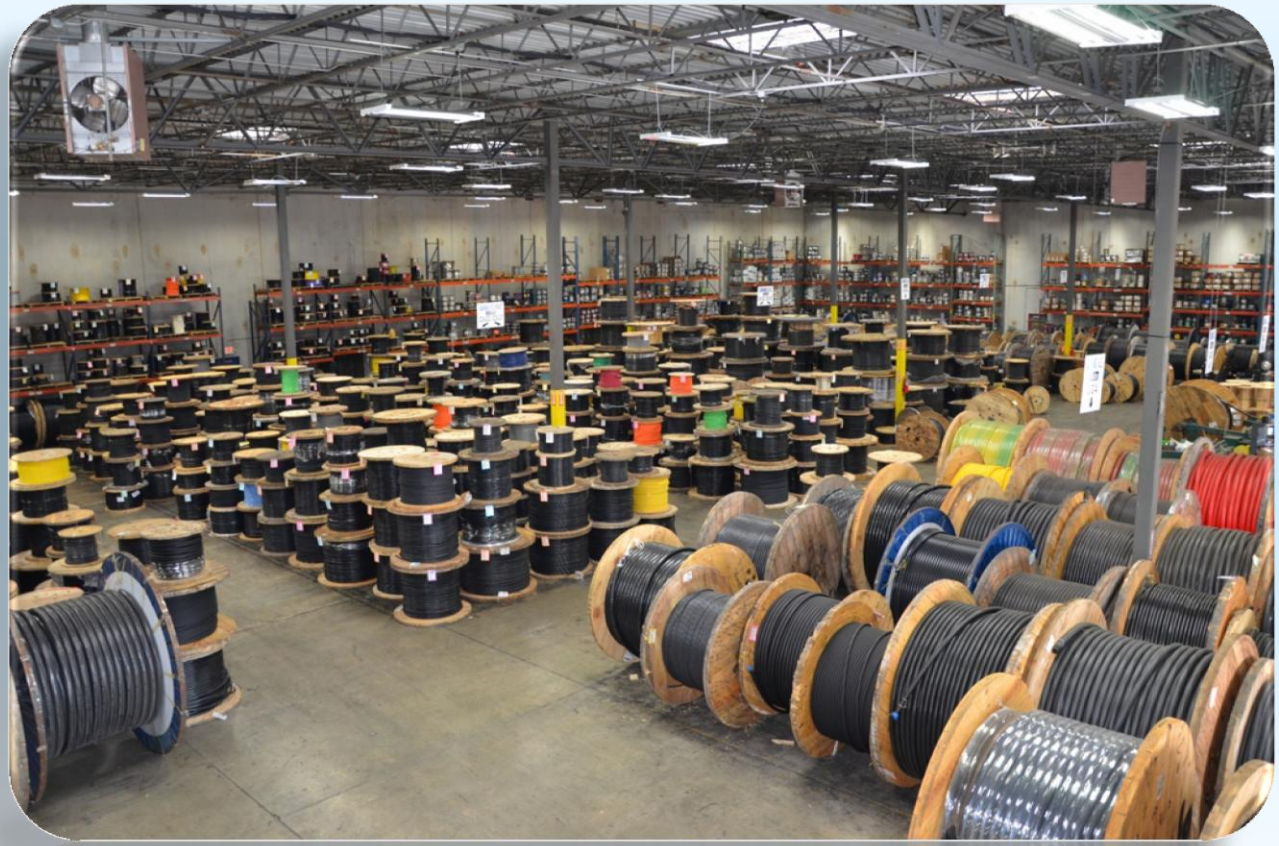

- Manufacturing
- Comm. Construction
- Renewable Energy
- Pulp & Paper
- Food Processing
- Oil & Gas
- Refineries
- WWTP
- Mining
- Utilities

Omni Cable has 10 Stocking Locations

Atlanta, Boston, Chicago, Denver, Houston, Los Angeles, Philadelphia, St. Louis, San Francisco, Tampa

OMNI Norcross

An extension of your warehouse inventory

The leading manufacturers in the country trust Omni Cable to place their products into the Electric Distribution marketplace.

On Time, On Spec, and in the Desired Length – Next Day

800-292-OMNI – 24 Hours / 7 Days a Week

OMNICABLE

Strengths/Capabilities

- No Cut Charges - No Minimums – Custom Reel Lengths
- 24 / 7 Emergency Service – Just call 1-800-292-OMNI
- Broad Product Mix (Power, Control, Instrumentation)
- Same Day Shipping
- Protecting you against Direct Sellers
- Value Added Services: striping, bundling, twisting, dyeing
- Elimination of jobsite risk – ***Omni Cable Management***
- Emailed Tracking Information and Shipment Imagery
- Profitability of sale

OMNICABLE

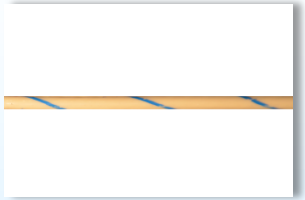

EMERGENCY SERVICE

Ready to Respond

24 HOURS A DAY • 7 DAYS A WEEK

(800) 292.OMNI

Striping
-Spiral or Longitudinal
-TFFN, THHN,MTW
-Welding / DLO / Hi-Temp / Electronic

Twisting
-THHN

Lashing
-Structural support

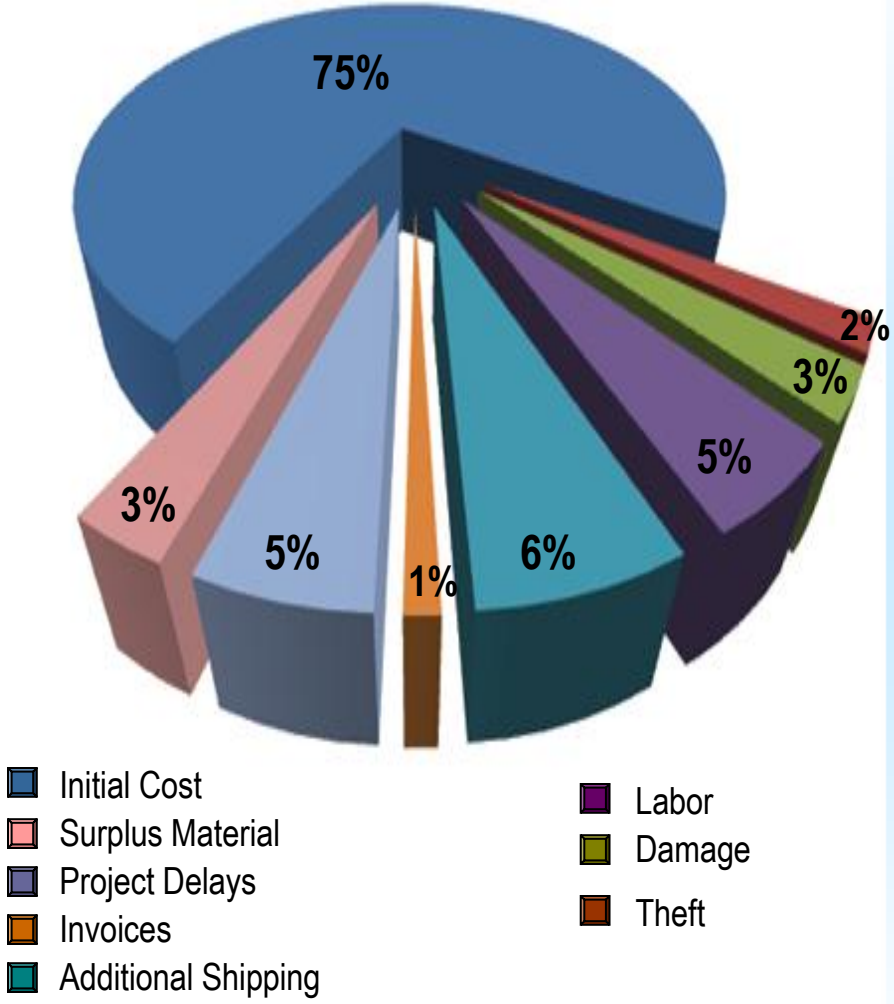

Re-Spooling
-UL Certified for OEM applications

Omni Cable Management

- Material is billed when released for shipment
- No on Site storage is required
- Elimination of jobsite theft or damage
- Firm Pricing
- Correct material in the exact length
- No additional labor charges for cutting material

Hidden Cost can make up to 25% of a project's overall cost

OMNICABLE

WE NOW HAVE THE MISSING PIECE.

With the addition of Belden products, Omni Cable offers the most comprehensive selection of wire and cable in the industry. Our 10 nationwide locations have a complete inventory to exclusively service the electrical distribution channel, 24 hours a day, 7 days a week, 365 days of the year.

The first call, every time, for specialty wire and cable. OMNICABLE

800-292-OMNI – 24 Hours / 7 Days a Week OMNICABLE

Core Products

- Power, Control, Instrumentation, Data Cables
- Industrial Ethernet (Data/Signal Transmission)
- VFD (Connecting the AC drive to motor)
- Sound/Security/Alarm (Multi-Conductor/Coaxial)
- Hi-flex power size MTW (colors available)
- Expanded Armor Offering
- Telcoflex
- Fiber Optic Cable
- Tray Cable (VNTC, XLP, FREP/CPE)
- Portable Cord (DLO, SO, W, G, Welding)
- High-Temperature (SRML, TGGT, MG)
- Medium Voltage (5/8KV, 15KV)

VFD Cables

Heavier Industrial-Grade XLPE Insulation

- Lower Capacitance > Better Electricals
- Reduced Standing Waves & Corona Discharge

Highly Effective Shielding

- Low Resistance Ground Path
- Protects against Radiated & Conducted Noise

High-Strand Tinned Copper Conductors

- Ease of Installation
- Better Vibration Resistance

Industrial Grade PVC Jacket

- Oil & Sunlight Resistant

Cable sizing Guideline

Unarmored VFD Cable

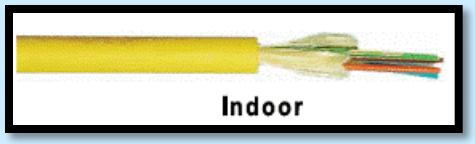

Fiber Optics Cable

Indoor/Indoor-Outdoor/Outdoor

6/12/24 Strand

Single/Multi-Mode

Fiber Optics

Use our E-Z Find Fiber Indentifyer to find the Fiber Optic Cable you need @ www.omnicable.com

F	6M	06	LN	R
F - Fiber	Fiber Grade	Fiber Count	Construction	Cable Style
	8S - Singlemode	06	LA - Loose-Tube Armored	PI - Plenum Indoor
	51 - 50µ, 150M @ 10G	12	LN - Loose-Tube Non-Armored	RI - Riser Indoor
	53 - 50µ, 300M @ 10G	24	TA - Tight-Buffer Armored	ZI - Low Smoke Zero Halogen
	6M - 62.5µ		TN - Tight-Buffer Non-Armored	PIO - Plenum Indoor/Outdoor
				RIO - Riser Indoor/Outdoor
				ZIO - LSZH Indoor/Outdoor
				AO - Outdoor (Arid Core)
				GO - Outdoor (Gel filled)

How to identify the Omni Cable Part Number

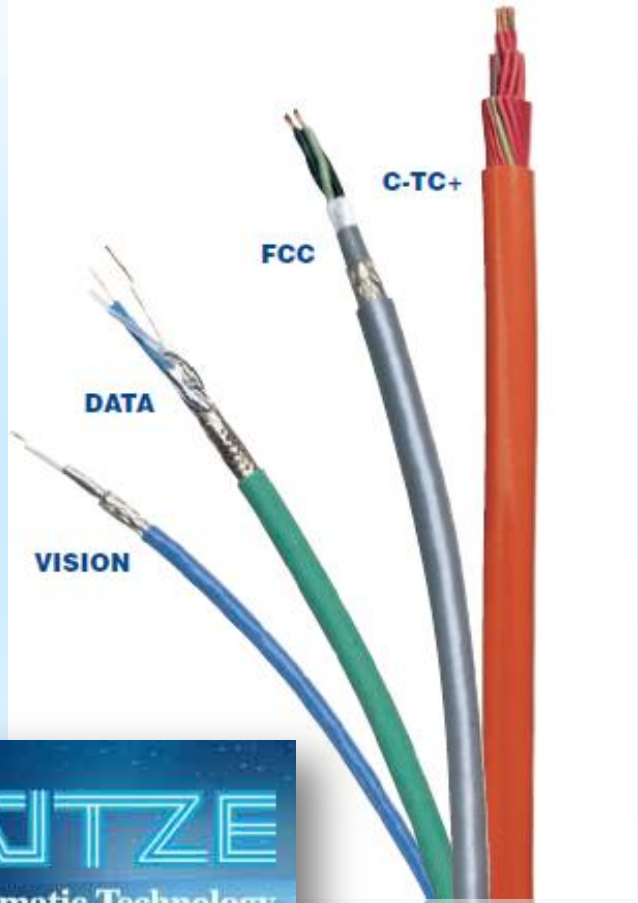

These identifiers will help you determine your fiber optic cable. The fiber grade, the fiber count, the construction, and the cable style. All fiber optic cable part numbers start with the letter F, and are then followed by these letters and numbers.

Flexible Control Cables

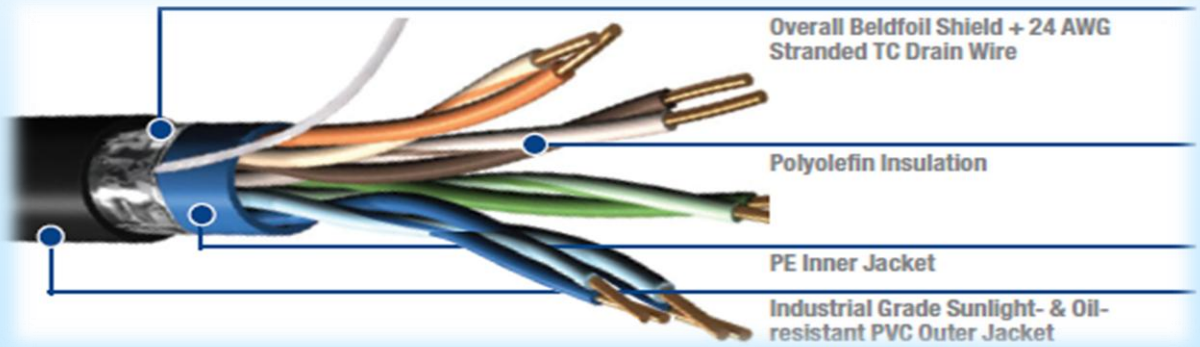

- Flexible Control Cable
  - Ideal for flexible or continuously flexing applications (flex cycles)
  - Oil/sunlight resistant jacket
  - Optional TC-ER rating
  - Optional jacket colors

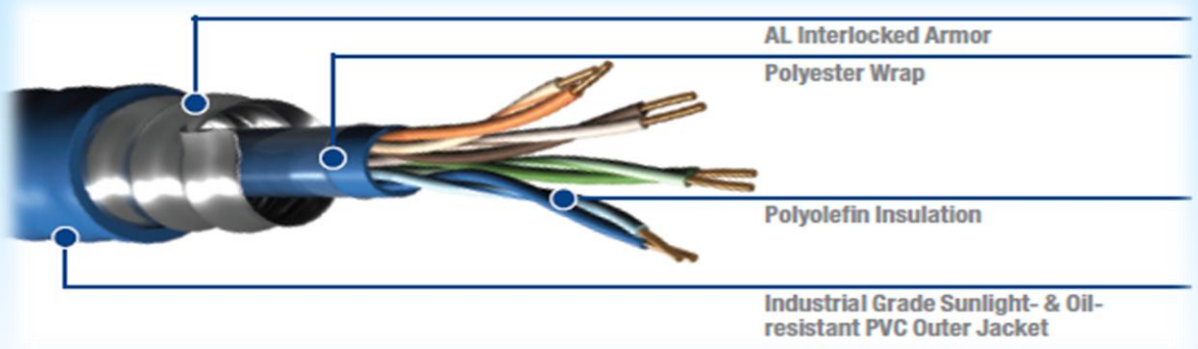

- Applications
  - Assembly/Production lines
  - Robotics
  - HVAC
  - Safety controls
  - C-Track
  - Drive/Motors

LUTZE
Systematic Technology

Industrial Ethernet Overview

Cable Highlights

-Twisted Bonded Pairs

-Stranded / Solid

-PE Insulation

-Industrial Grade PVC

-CMR / CMP Ratings

-Shielding Options

Armored Cable

AIA, CCW,TECK 90

Markets

Petro chemical, mining, pulp &
paper mills, industrial plants

Omni Cable Inventory

750 MCM to 8 AWG power sizes with ground
10 AWG to 14 AWG multi conductor
16 AWG shielded pairs and triad constructions

Value Add

Bulk reels cut to length, same day shipment
T&B fittings to size can ship with wire

Hook Up Wire

PVC Hook-up wire
(UL 1007, 1012, 1015, 1061)
6 AWG and larger - 1232/1284/1338 600V or 10269 1KV

Irradiated PVC Hook up wire
(UL 1429, 1430, 1431)

Neoprene Lead Wire
(UL 3044, 3046, 3048)

MIL – Spec (M16878, M22759)
Harmonized PVC Hook-up
EPDM
SIS VW-1 (All colors)

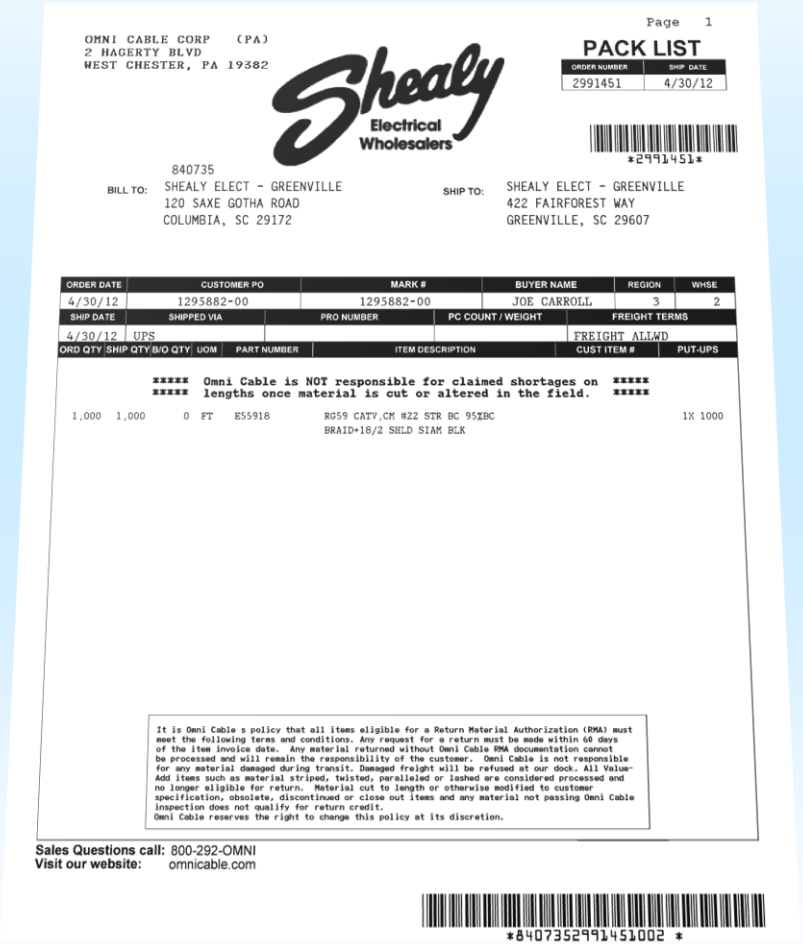

Termination/splicing Kits and “Lifeline” cables

- Tyco Termination & Splicing Kits
- Cable Connectors
  - Armored Cable Connectors
  - Tray Cable Connectors
  - Cord Grip Connectors
- Draka “Lifeline” Cables
  - 2 hour fire rated cables utilized for mission critical circuits exposed to both fire & water.

It is Omni Cable s policy that all items eligible for a Return Material Authorization (RMA) must meet the following terms and conditions. Any request for a return must be made within 60 days of the item invoice date. Any material returned without Omni Cable RMA documentation cannot be processed and will remain the responsibility of the customer. Omni Cable is not responsible for any material damaged during transit. Damaged freight will be refused at our dock. All Value-Add items such as material striped, twisted, paralleled or lashed are considered processed and no longer eligible for return. Material cut to length or otherwise modified to customer specification, obsolete, discontinued or close out items and any material not passing Omni Cable inspection does not qualify for return credit.
Omni Cable reserves the right to change this policy at its discretion.
